

All About Advisory Boards Workshop

Many business owners are choosing Advisory Boards to help them to manage risk, expand their networks and start their governance journey.

Now it's your turn to discover how this fresh approach to growing and managing your business brings the value of hindsight from experts and gives you a 360° view of your company.

In this full day workshop, you will learn:

- How to establish your needs and objectives while getting a handle on the practicalities of setting up an Advisory Board.
- How to build a skill profile for your members.
- What it means to be an Advisory Board member
- The difference between a board of directors and an Advisory Board.
- Many useful templates to help setup your Advisory Board.

You'll walk away with practical ideas to apply in your business right now!

This interactive workshop is presented by Helen Down of Advisory Boards NZ Ltd
